

YOU ARE INVITED TO BECOME A FRIEND OF THE EMPORIA FARMERS MARKET

The Learning Connection of the Flint Hills, a 501(c)(3) organization, operates the farmers market in Emporia.

Your contributions made to support the market are deductible for federal income tax purposes.

Our Friends of the Market program, along with support from vendor fees, fundraisers, donations, and grants, allows the market to expand our outreach and educational programs, to better promote and grow the market, and to maintain an office base of operations for the market, including a salary for a part-time market manager. We appreciate your support!
